

collection COMET

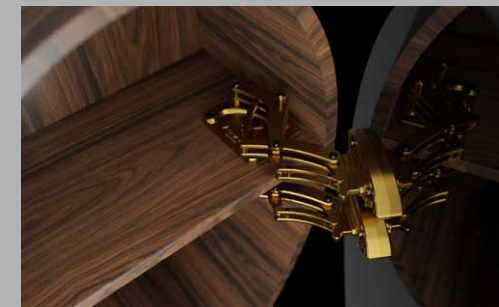

This symmetrically designed collection of bionic shapes, makes up the unique rhythm to decorate any lounge.

This set contains:

- a hanging media dresser for TV with a drawer CTVD (optionally front panels made of glass transmitting remote control signal)
- a right-sided large hanging cupboard LCR
- a right-sided small hanging cupboard SCR
- a left-sided large hanging cupboard LCL
- a left-sided small hanging cupboard SCL
- the combination of open-ended shelves OSC (as an option), which fits a set of closed cupboards

The set may be accompanied with an **Eridanus** coffee table.
